

all scheduled increases in benefits occur.

(4) The expected fair market value of plan assets immediately after the merger or transfer must be based on the most recent data available immediately before the date on which the notice is filed.

(5) Expected investment earnings must be determined using the same interest assumption to be used for determining the minimum funding requirement under section 412 of the Code.

(6) Expected expenses must be determined using expenses in the last plan year ending before the notice is filed, adjusted to reflect any anticipated changes.

(7) Expected plan assets for a plan year must be determined by adjusting the most current data on fair market value of plan assets to reflect expected contributions, investment earnings, benefit payments and expenses for each plan year between the date of the most current data and the beginning of the plan year for which expected assets are being determined.

§ 4231.7 De minimis mergers and transfers.

(a) *Special plan solvency rule.* The determination of whether a *de minimis* merger or transfer satisfies the plan solvency requirement in § 4231.6(a) may be made without regard to any other *de minimis* mergers or transfers that have occurred since the last actuarial valuation.

(b) *De minimis merger defined.* A merger is *de minimis* if the present value of accrued benefits (whether or not vested) of one plan is less than 3 percent of the fair market value of the other plan's assets.

(c) *De minimis transfer defined.* A transfer of assets or liabilities is *de minimis* if—

(1) The fair market value of the assets transferred, if any, is less than 3 percent of the fair market value of all the assets of the transferor plan;

(2) The present value of the accrued benefits transferred (whether or not vested) is less than 3 percent of the fair market value of all the assets of the transferee plan; and

(3) The transferee plan is not a plan that has terminated under section 4041A(a)(2) of ERISA.

(d) *Value of assets and benefits.* For purposes of paragraphs (b) and (c) of this section, the value of plan assets and accrued benefits may be determined as of any date prior to the proposed effective date of the transaction, but not earlier than the date of the most recent actuarial valuation.

(e) *Aggregation required.* In determining whether a merger or transfer is *de minimis*, the assets and accrued benefits transferred in previous *de minimis* mergers and transfers within the same plan year must be aggregated as described in paragraphs (e)(1) and (e)(2) of this section. For the purposes of those paragraphs, the value of plan assets may be determined as of the date during the plan year on which the total value of the plan's assets is the highest.

(1) A merger is not *de minimis* if the total present value of accrued benefits merged into a plan, when aggregated with all prior *de minimis* mergers of and transfers to that plan effective within the same plan year, equals or exceeds 3 percent of the value of the plan's assets.

(2) A transfer is not *de minimis* if, when aggregated with all previous *de minimis* mergers and transfers effective within the same plan year—

(i) The value of all assets transferred from a plan equals or exceeds 3 percent of the value of the plan's assets; or

(ii) The present value of all accrued benefits transferred to a plan equals or exceeds 3 percent of the plan's assets.

§ 4231.8 Notice of merger or transfer.

(a) *When to file.* Except as provided in paragraph (f) of this section, a notice of a proposed merger or transfer must be filed not less than 120 days before the effective date of the transaction. For purposes of this part, the effective date of a merger or transfer is the earlier of—

(1) The date on which one plan assumes liability for benefits accrued under another plan involved in the transaction; or

(2) The date on which one plan transfers assets to another plan involved in the transaction.

(b) *Who must file.* The plan sponsors of all plans involved in a merger or transfer, or the duly authorized representative(s) acting on behalf of the plan sponsors, must jointly file the notice required by this section.

(c) *Where to file.* The notice must be delivered to Reports Processing, Insurance Operations Department, Pension Benefit Guaranty Corporation, 1200 K Street NW., Washington, DC 20005-4026.

(d) *Filing date.* For purposes of paragraph (a) of this section, the notice is not considered filed until all of the information required by paragraph (e) of this section has been submitted. Information filed under this part is considered filed—

(1) On the date of the United States postmark stamped on the cover in which the information is mailed, if—

(i) The postmark was made by the United States Postal Service; and

(ii) The information was mailed postage prepaid, properly addressed to the PBGC; or

(2) On the date it is received by the PBGC, if the conditions stated in paragraph (d)(1) of this section are not met. Information received on a weekend or Federal holiday or after 5:00 p.m. on a weekday is considered filed on the next regular business day.

(e) *Information required.* Each notice must contain the following information:

(1) For each plan involved in the merger or transfer—

(i) The name of the plan;

(ii) The name, address and telephone number of the plan sponsor and of the plan sponsor's duly authorized representative, if any; and

(iii) The plan sponsor's EIN and the plan's PN and, if different, the EIN or PN last filed with the PBGC. If no EIN or PN has been assigned, the notice must so indicate.

(2) Whether the transaction being reported is a merger or transfer, whether it involves any plan that has terminated under section 4041A(a)(2) of ERISA, whether any significantly affected plan is involved in the transaction (and, if so, identifying each such plan), and whether it is a *de minimis* transaction as defined in § 4231.7 (and, if so, including an enrolled actuary's certification to that effect).

(3) The proposed effective date of the transaction.

(4) A copy of each plan provision stating that no participant's or beneficiary's accrued benefit will be lower immediately after the effective date of the merger or transfer than the benefit immediately before that date.

(5) For each plan that exists after the transaction, one of the following statements, certified by an enrolled actuary:

(i) A statement that the plan satisfies the applicable plan solvency test set forth in § 4231.6, indicating which is the applicable test.

(ii) A statement of the basis on which the actuary has determined that benefits under the plan are not reasonably expected to be subject to suspension under section 4245 of ERISA, including the supporting data or calculations, assumptions and methods.

(6) For each plan that exists before a transaction (unless the transaction is *de minimis* and does not involve any plan that has terminated under section 4041A(a)(2) of ERISA), a copy of the most recent actuarial valuation report that satisfies the requirements of § 4231.5.

(7) For each significantly affected plan that exists after the transaction, the following information used in making the plan solvency determination under § 4231.6(b):

(i) The present value of the accrued benefits and fair market value of plan assets under the valuation required by § 4231.5(b), allocable to the plan after the transaction.

(ii) The fair market value of assets in the plan after the transaction (determined in accordance with § 4231.6(c)(4)).

(iii) The expected benefit payments for the plan in the first plan year beginning on or after the proposed effective date of the transaction (determined in accordance with § 4231.6(c)(3)).

(iv) The contribution rates in effect for the plan for the first plan year beginning on or after the proposed effective date of the transaction.

(v) The expected contributions for the plan in the first plan year beginning on or after the proposed effective date of the transaction (determined in accordance with § 4231.6(c)(1)).

(f) *Waiver of notice.* The PBGC may waive the notice requirements of this section and section 4231(b)(1) of ERISA if—

(1) A plan sponsor demonstrates to the satisfaction of the PBGC that failure to complete the merger or transfer in less than 120 days after filing the notice will cause harm to participants or beneficiaries of the plans involved in the transaction;

(2) The PBGC determines that the transaction complies with the requirements of section 4231 of ERISA; or

(3) The PBGC completes its review of the transaction.

§ 4231.9 Request for compliance determination.

(a) *General.* The plan sponsor(s) of one or more plans involved in a merger or transfer, or the duly authorized representative(s) acting on behalf of the plan sponsor(s), may file a request for a determination that the transaction complies with the requirements of section 4231 of ERISA. The request must contain the information described in paragraph (b) or (c) of this section, as applicable.

(1) *The place of filing.* The request must be delivered to the address set forth in § 4231.8(c).

(2) *Single request permitted for all de minimis transactions.* Because the plan solvency test for *de minimis* mergers and transfers is based on the most recent valuation (without adjustment for intervening *de minimis* transactions), a plan sponsor may submit a single request for a compliance determination covering all *de minimis* mergers or transfers that occur between one plan valuation and the next. However, the plan sponsor must still notify PBGC of each *de minimis* merger or transfer separately, in accordance with § 4231.8. The single request for a compliance determination may be filed concurrently with any one of the notices of a *de minimis* merger or transfer.

(b) *Contents of request.* (1) *General.* A request for a compliance determination concerning a merger or transfer that is not *de minimis* must contain—

(i) A copy of the merger or transfer agreement;

(ii) A summary of the required calculations, including a complete de-

scription of assumptions and methods, on which the enrolled actuary based each certification that a plan involved in the merger or transfer satisfied a plan solvency test described in § 4231.6; and

(iii) For each significantly affected plan, other than a plan that is a significantly affected plan only because the merger or transfer involves a plan that has terminated by mass withdrawal under section 4041A(a)(2) of ERISA, copies of all actuarial valuations performed within the 5 years preceding the date of filing the notice required under § 4231.8.

(2) *De minimis merger or transfer.* A request for a compliance determination concerning a *de minimis* merger or transfer must contain one of the following statements for each plan that exists after the transaction, certified by an enrolled actuary:

(i) A statement that the plan satisfies one of the plan solvency tests set forth in § 4231.6(a), indicating which test is satisfied.

(ii) A statement of the basis on which the actuary has determined that benefits under the plan are not reasonably expected to be subject to suspension under section 4245 of ERISA, including supporting data or calculations, assumptions and methods.

§ 4231.10 Actuarial calculations and assumptions.

(a) *Most recent valuation.* All calculations required by this part must be based on the most recent actuarial valuation as of the date of filing the notice, updated to show any material changes.

(b) *Assumptions.* All calculations required by this part must be based on methods and assumptions that are reasonable in the aggregate, based on generally accepted actuarial principles.

(c) *Updated calculations.* If the actual effective date of the merger or transfer is more than one year after the date the notice is filed with the PBGC, PBGC may require the plans involved to provide updated calculations and representations based on the actual effective date of the transaction.
